We would value your comments on our course this semester. A form you can use to relay these comments is attached. For those of you off the UGA campus you can FAX forms to the attention of Mike Ford at 706-542-4412. These forms will be handled in accordance with the statement below.

"The Department of Biochemistry and Molecular Biology and the Department of Chemistry continue to try to improve their instructional programs. Please respond to the evaluation forms frankly and honestly. The evaluation forms will be carried to a Department office at the end of the period by a member of this class. Results will not be available to me until after final grades have been assigned."
