The following changes should be made to the above-mentioned article.

- Page 45, line 2: replace $A = D(A) + A^+ + A^-$ with $A = -D(A) + A^+ + A^-$.
- Page 48, line 27: replace $n' = (n^2\pi_1)^{1/\omega+1}$ with $n' = n^{1.5}$.
- Page 48, line 30: replace $O(n(\pi + \log n))^{\omega/\omega+1}$ with $O(n^{1.5}(\pi + \log n))$.
- Page 51, line 24: replace $O(n/(n')^2)$ with $O((n/n')^2)$.
- Page 54, line 5: replace τ_ℓ with τ_j .
