This is **Markus** from North Carolina in America celebrating his fourth birthday with a wonderful Wiggles cake his mum made! Markus just loves his Big Red Car cake!

Two year old **Zak** from Mordialloc in Victoria is having a ball at his second birthday party. His very clever mum made the cake and all the decorations!

Wow look at us go! **James** from Greystanes in NSW is five-and-a-half and he drew this beautiful picture of The Wiggles driving in the Big Red Car when he was recovering from the chicken pox!

Jacob is five and he lives in Allambie Heights in NSW. He loves Wags, Dorothy, Captain Feathersword and all us Wiggles, so he drew us all! Nice work Jacob!
